SALE PRICES or WAR PRICES?

Which Will You Pay?

Probably Your Last Chance to Decide Come Without Delay

All raw materials from which the Hoosier is made have advanced in cost.

This has compelled the maker to announce a coming advance in the prices of these famous kitchen cabinets, BUT—not until the present stocks are gone. We have been provided with a very limited allotment of cabinets. Through this special arrangement we are authorized to sell them on the Hoosier Plan of \$1 down and \$1 a week at the old-time cash price fixed at the factory.

New "Hoosier Wonder"
Advertised in the National Magazines

The sale may end tomorrow. It will last until the allotment of the cabinets is gone. So lose no time in coming tomorrow to our store. Those who wait may lose the chance of a lifetime.

Tomorrow May Be Last Day! Read about these conveniences

Tomorrow may end your chance to have the NEW HOOSIER for \$1

Will you decide now to come to-morrow and settle the matter once for all, before the cabinets in this special allotment are gone and prices are advanced on account of the war cost of raw materials? Or will you let to-morrow drift by—and then realize you are too late to decide, because of the close of the Hoosier Plan of Sale?

You could scarcely imagine a decision of more importance to you. For the New Hoosier is a wonderful labor saver—already used by 1,000,000 women. It saves miles of steps and hours of valuable time. It saves health and good looks. It is very low in price—and on the liberal terms of the Hoosier Plan is the cheapest Kitchen Cabinet Ever Built.

The Hoosier Plan is Simply This:

1. \$1.00 puts any Hoosier you select in your home.
2. \$1.00 weekly quickly pays for it.
3. The Low Cash Price fixed by the factory prevails strictly.
4. The sale is under direct supervision of the Hoosier Company.
5. No interest. No extra fees.
6. Your money back if you are not delighted with your Hoosier.

A choice still remains between "Hoosier Beauty" (selected by 3 out of 4 women) and the "Hoosier Wonder." But the numbers are few and you cannot hope to get one if you delay. You incur no obligation by coming, so let other matters wait to-morrow while you settle this important question.
